

Anti Glare Bar AR111

AR111 Bar Lamp (G53)
75W 24°

MR. RESISTOR[®]
Lighting Specialist Est. 1968

M162 GE

75W 24°

Quicklink: Q1217

The **AR111 Bar Lamp** has an aluminium reflector that sends heat outwards. Reflector faceting also ensures that light is evenly distributed.

The lamps are equipped with caps for reduced glare and ease of handling.
