Lumens 97 lm Lumens Per Watt 97 lm/W The **Crystal Starlite** is a decorative LED downlight made from cut glass with a chrome finish base. When illuminated the different facets cast a pattern of light back on to the surface into which the downlight is recessed. The result is a stylish and elegant lighting effect.

The fitting comes with a ceiling spring for fixing into plaster board. A burial tube is supplied for recessing into more solid material, such as brick or concrete.

An LED driver is needed to power this product.

## **LED Driver Options**

- Switching Use this driver for on/off control. Cannot be used for dimming.
- Dimming Normal Use this driver for dimming control. Some dimmers may require a resistive dummy load to meet the minimum load requirements.
- Dimming 1-10V Use this driver with a 1-10V dimmer modules or control systems. This type of dimming does not have a minimum load.
