Weight	6kg

Blade Finish	Chrome
--------------	--------

### Dimensions

Blade Length	1220mm
--------------	--------

### Electrical

Voltage	240V
---------	------

The **Industrial** is a stylish modern ceiling fan that is perfect for use in the home, office or as a shop fitting.

The ceiling fan body and blades have a polished chrome finish. Simply hard wire to a *Ceiling Fan Wall Control Switch* or alternatively purchase a *Radio Frequency Remote Control* for wireless operation. Both methods have four fan speed and on/off settings. A switch is located on the base of the fan to reverse the spin of the blades, cooling rooms in the Summer and trapping heat in the Winter.

- Motor – 172 x 10mm
- RPM (H/M/L) – 260/195/135
- Watts (H/M/L) – 55/35/23
- Amps (H/M/L) – 0.23/0.19/0.18

### Installation

- Fan Mounting – Downrod Only
- Must Be Installed With Downrod Included
- Remote Control – Adaptable
- Wall Control – Adaptable
- Reverse Switch – Yes
- Extension Downrod Possible – Yes
- With Pull Chain

*Down Rods* should be purchased if this product is to be located in a conservatory or high ceiling room.
