MonoRail, has a flexibility that makes them ideal for the retail environment.

The slim, linear LED lighting fixture can be 'snapped' into place anywhere. The Power Rail has maximum capacity of 180W through its length and can be installed with just one power feed to a maximum run length of approximate 20 meter in a single row. The track can also supply power to other electronics.

- Super Slim liner with power track
- Greatly extends the length of a run with a single power point
- Fixtures snaps onto power track with no breaks in light output
- To be used with constant voltage DC 24V driver Dimmable with available accessories
