MonoRail, has a flexibility that makes them ideal for the retail environment.

The slim, linear LED lighting fixture can be â€˜snappedâ€™ into place anywhere. The Power Rail has maximum capacity of 180W through its length and can be installed with just one power feed to a maximum run length of approximate 20 meter in a single row. The track can also supply power to other electronics.

- Super Slim liner with power track
- Greatly extends the length of a run with a single power point
- Fixtures snaps onto power track with no breaks in light output
- To be used with constant voltage DC 24V driver Dimmable with available accessories
