LED Panel Surface Box

LED Panel 24V 600 x 600 mm Surface Silver Box Kit

RGBC 4000K Cool White 36W

The **LED Surfaced Panel Light Box** range features the latest in LED technology. The panels are suitable for commercial and domestic applications, included with the LED Panel is a surfaced mounting box for ceilings in which panels can't be recessed into the ceiling. These panels are ideally suited for office lighting and for meeting rooms and corridors.

The RGBW panels are colour change and white, giving the ability to choose either white or any colour or hue. This is ideal for creating different moods and ambiences in a space.
