**PVC Transparent Round Flex Cable** is ideal for connection of pendants and desk lamps where the flex needs to be hidden as much as possible. Each core as well as the jacket are transparent. Suitable only for location indoors and connection to mains power.

This product is priced per metre and cut to order, please order the relevant number of metres required. To buy a 100 metre reel please add 100 to the quantity.

This product is also available in an oval profile.

**Please Note:** Once cable is cut cannot be returned.
