PVC Twisted Silver Foil Round Flex Cable is ideal for connection of pendants. The twisted effect silver foil jacket not only hides the 3 cores inside, but creates a unique design element that reflects light, adding another dimension to any fitting. Suitable only for location indoors and connection to mains power.

This product is priced per metre and cut to order, please order the relevant number of metres required. To buy a 100 metre reel please add 100 to the quantity.

Please Note: Once cable is cut cannot be returned.
