

Introducing the **Frog Spike GU10**, a mains voltage outdoor spotlight that is perfect for lighting up your garden, pathway or patio. With its IP65 rating, this spotlight is weather-resistant and can withstand dust and water splashes, making it suitable for outdoor use.

The Frog Spike GU10 comes with a spike attachment that makes it easy to install in the ground, allowing you to adjust the angle of the light and direct it where you need it most. This spotlight is compatible with GU10 bulbs (sold separately), giving you the flexibility to choose the level of brightness and colour temperature you desire.

Designed with both style and function in mind, the Frog Spike GU10 boasts a sleek and modern design that will blend seamlessly with any outdoor décor. Upgrade your outdoor lighting with and create a warm and welcoming atmosphere for your outdoor gatherings.
