The **Happy Spike Kit** contains one *Smooth Spike Light*, and one *LED Colour Changing Lamp*. Watch the astonishing results in amazement as you garden changes colour before your very eyes!

Only one CCRGB remote is required to control all of the fittings. The remote does not change every fitting simultaneously, it is required that you set each fitting to your desired setting individually.

The powerful 5W LED lamp, via an infrared remote control, colour changes your garden with features such as:

Remote included in each Happy Spike Kit.

Key Features
