

3075650 SILVER

50W Silver

Quicklink: Q1B11

General

Cap	GU5.3 / MR16
Colour	Silver
Construction	Plastic
Dimmable	Yes
IP Rating	IP20

Dimmable	Yes
----------	-----

Dimensions

Head Depth	138mm
Head Diameter	63mm
Height	170mm

Electrical

Maximum Wattage	50W
Voltage	240V

The **Pixo Pro XS Cool 50E** is a directionable spotlight for use with single circuit track. It has a 90 degree light head tilt and full 360 degree bracket rotation to ensure that light can reach any area of your room. The Pixo Pro XS Cool 50E has a transformer fitting within the base, meaning that the fitting can be connected directly to the track without the aid of any other accessories.

An anti glare shield is included with this product and has an integral transformer.

A datasheet explaining how the Pixo Pro XS Cool 50E works is available under the above 'Downloads' tab.
