Laser Light 18 Pattern Projector Outdoor Effect Light, illuminates any garden or outdoor area with decorative shapes. Ideal for Parties. It includes a Bluetooth speaker, to play music straight from your phone, anywhere. Please note; only one laser can be connected to a device at a time.

The plug and play system makes it easy to install, just plug in and point in the desired location, eliminating the need for setting up complicated string lights during the festive period.

Includes a mains plug transformer for powering a single laser light.

A remote is included with this product.

Please Note: This transformer must be enclosed within a waterproof outdoor enclosure.
