------------	------

The **LED Panel Surfaced Box Kit RGB** range features the latest in LED technology. The panels are suitable for commercial and domestic applications, and are designed to fit directly into existing standard suspended ceilings and recesses, or can be suspended (fixings available separately). These panels are ideally suited for office lighting and for meeting rooms and corridors.

This Kit includes 24V driver and a RGB LED Touch Panel Controller, dimmable drivers are available as additional option.

Power cord is 40cm long, to extend a 2m, 5m or 10m coupler is required.

Maximum 8 panels per Wise Receiver.
