The screwless, clip-on, **SceneStyLED4 Lits** are available in Brushed Stainless Steel, White, Polished Brass, Polished Chrome with a choice of White or Black buttons. All finishes exude quality and feature subtle rounded corners and a slim profile.

Other finishes and styles are available on special order. The SceneStyLED4 buttons complement the fascias and have been designed to give a pleasing tactile feel.

Even the button indicators can be set by the user to be one of seven stunning colours to harmonise with your interior décor.

Key features:

- Four circuits of trailing edge dimming, (2 x 500 watts, 2 x 250 watts, 1000 watts maximum).
- OPTION 1: Four programmable scenes plus On/Off and Raise/Lower of any Scene.
- OPTION 2: Individual Impulse (on/off/dim) control of four circuits with master on/off raise/lower control.
- Programmable fade rate from scene to scene.
- Infrared remote control option available.
- Fits into UK double-gang sized back box (47mm deep).
- Stylish screwless fascias available in White, Brushed Stainless Steel, Brass and Chrome.
- Indicator buttons available in Black or White to complement Fascias.
- Indicator LEDs with seven user selectable colours.
- Multi-Way switching and remote input control.
