

Surface Mounted Sensors
Timeguard 2300W PIR Light Controller and Remote Control
Key Fob
2300W Black

Powerful PIR controller for new and existing installations. Wall-mounted PIR light controller with a built-in RF receiver, for use with RF Remote Control Fobs. Ideal for new lighting installation or replacement of existing PIR detector for remote control switching. The RF Fob eliminates the need for a hard-wired PIR override and has a handheld range of up to 100m.

Features

- 180° up to 12 metre detection.
- Pan and tilt feature.
- Adjustable time setting 3 seconds - 18 minutes.
- Adjustable 2 - 1000 LUX setting.
- IP55 weatherproof rating.
- Total PIR switching: 2300W Halogen Lighting. 500W fluorescent Lighting. 250W LED Lighting.
- RF Fob control (included), up to 100m handheld range.
- Up to 6 remote fobs can be used with each PIR. Fob can also fit into a standard indoor/outdoor wall switch, eliminating the need to hard wire the PIR override switch.
