

Extreme Outdoor Switches

Weathersafe Vision Single Gang 2-Way Switch (DP)

1 Gang Grey

MR. RESISTOR®
Lighting Specialist Est. 1968

The **Weathersafe Vision Single Gang 2-Way Switch (DP)** is manufactured from tough, durable thermoplastic. It is intended for use in an outdoor environment, or one in which the protection provided by the range is required. It is rated IP66, for protection against water and dust. It will need to be fitted with waterproof cable or conduit entries to maintain their IP rating once installed.
