## LASER X-33P BLK

Metal RGB 12V

Quicklink: Q427A

### General

Colour	Black
Construction	Aluminium / Glass
IP Rating	IP65

### Dimensions

Cable Length	2800mm
Diameter	132mm
Height	425mm
Length	165mm

### Electrical

Maximum Wattage	10W
Voltage	12V

X Firefly Laser Moving Special effect garden spike light, illuminate any garden or outdoor area with a 1000 point laser spike light. The RGB laser light can produce 3 individual colours or combine colours for special effects, set the laser light to static, slow moving or fast moving patterns of light with the capability to flash on and off or remain constantly on. The X Firefly can cover large areas and reach areas traditional lighting can not.

The laser landscape is great for outdoor decoration whether you are decorating for parties or holiday. The plug and play system makes it easy to install, just plug in and point in desired location, eliminates the need for setting up complicated string lights during the festive period .

Includes a mains plug transformer for powering a single X Firefly laser light.

**Please Note:** This transformer must be enclosed within a waterproof outdoor enclosure.
