LEDTHL 8W 3K 118

80° 3000K Warm White
Quicklink: Q4281

General

Cap	R7s
Colour	White
Construction	Aluminium
Dimmable	Yes

Dimmable	Yes

Dimensions

Height	33mm
Length	118mm
Width	33mm

Electrical

Energy Efficiency Rating	A
Maximum Wattage	8W
Power Factor	0.95
Voltage	240V

Light Characteristics

Colour Rendering Index	80
Colour Temperature	3000K Warm White
Halogen Equivalent Wattage	75W
Lumens	750 lm
Lumens Per Watt	94 lm/W

The Reality LED Linear Lamp is designed as a direct replacement for a 118mm halogen linear tube lamps. It has a comparable light output and beam spread to its incandescent and halogen equivalents (75W) but is up to 75% more energy efficient and has a far greater life span. The LED technology used in this lamp give it the comparable benefits of being entirely mercury free, producing little or no heat and having no ultraviolet or infra-red light in its output.

The R7S Reality Lamp is equivalent to a 75W R7S halogen lamp and, like a halogen lamp, is dimmable. It lasts for 25,000 hours and consumes just 8W.

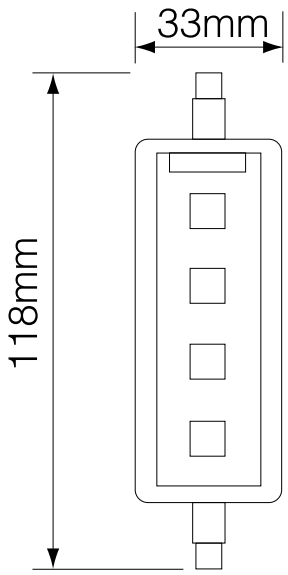

Please Note: This LED lamp comes with a one year warranty as standard.
