Light Characteristics

Beam Angle	4°
Colour Rendering Index	90
Colour Temperature	3000K Warm White
Halogen Equivalent Wattage	50W
Lumens	450 lm
Lumens Per Watt	90 lm/W

The **Optic GU10 LED 5W** is an LED lamp that emits light with a 4° beam angle.

This narrow beam angle is ideal to illuminate areas which require precision lighting such as artwork or ornaments. Combined with a high CRI rating of 90 it produces colours more effectively making it a great for art galleries and retail displays, or any areas where you need the colour of products to appear vibrant.

The Optic GU10 LED 5W lamp is equivalent to a 50W GU10 halogen. It lasts for 25,000 hours and consumes just 5W.

Key Features

- Equivalent to 50W GU10
- Complies with Part L regulations
- Fully dimmable with leading and trailing edge dimmers
- Lifetime of 25,000hrs
- Fits GU10 lampholder

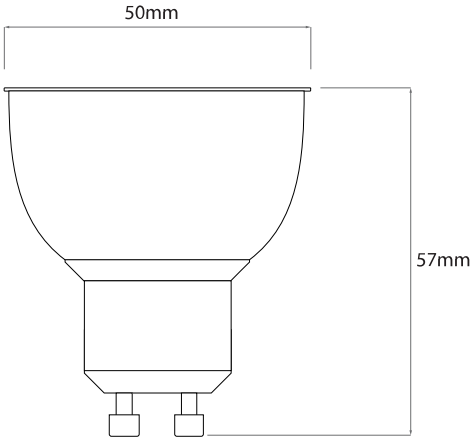

Some dimming control systems may require a Resload, see the technical download to view compatible dimmers.

Please Note: This LED lamp comes with a one year warranty as standard.

Please Note: This LED lamp is not suitable for enclosed fittings.
