

SER2 AR70D IN30

30° 2700K Warm White
Quicklink: Q681C

General

Cap	SBC / AR70
Construction	Aluminium
Dimmable	Yes
IP Rating	IP20

Dimensions

Diameter	70mm
Height	50mm

Electrical

Amperage	150mA
Energy Efficiency Rating	G
Maximum Wattage	8W

Light Characteristics

Beam Angle	30°
Colour Rendering Index	92
Colour Temperature	2700K Warm White
Lumens	530 lm
Lumens Per Watt	66 lm/W

The **Series 2 AR70 LED with driver** is a powerful lamp, making it an ideal choice for various lighting scenarios - from showcasing products in a showroom, highlighting artwork, to creating a warm ambiance at home. With its dimmable functionality, you can effortlessly adjust the lighting to create the ideal ambiance for any setting. Series 2 AR70 LED offers a high Colour Rendering Index (CRI), ensuring that colours appear vivid and true to life, enhancing the aesthetics of any space.

AR70 Reflector lamps are ideal for spaces with high ceilings, providing excellent illumination without glare. Their high brightness and focused beam ensure effective lighting from a distance, while the anti-glare design offers a comfortable and visually appealing environment. These lamps are extremely versatile, making them perfect for various settings, including retail, hospitality, galleries, and residential areas.

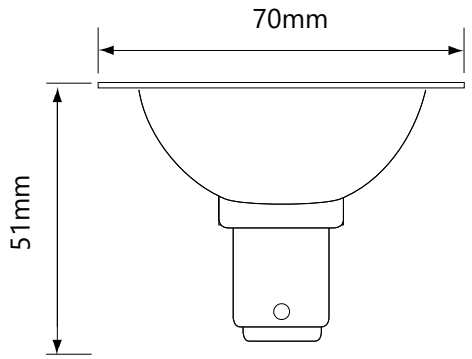

Powered by a top-tier CREE LED chip which it is known for its superior performance and durability. This ensures that the Series 2 LED AR70 delivers consistent, high-quality light output.

The Series 2 LED AR70 is available in a variety of beam angles and light temperatures, giving you the flexibility to customize your lighting to meet specific needs.

Please Note: This LED lamp comes with an automatic one year warranty as standard.
