

LEDCCTGU1038D

38° CCT Selectable (27K/3K/4K)
Quicklink: Q6D25

General

Cap	GU10
Colour	White
Construction	Plastic
Dimmable	Yes

Dimensions

Diameter	50mm
Height	76mm

Electrical

Energy Efficiency Rating	D
Maximum Wattage	10W
Voltage	240V

Light Characteristics

Beam Angle	38°
Colour Rendering Index	92
Lumens	1200 lm
Lumens Per Watt	120 lm/W

Experience exceptional brightness and colour clarity with the **Super Focus GU10 LED Lamp**, designed for precision lighting in both residential and commercial environments. Fully dimmable, it offers smooth brightness control when paired with compatible dimmer switches, allowing you to create the perfect ambiance in any space.

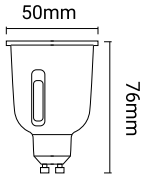

Featuring a focused 38° beam angle, a high CRI of 90+, and a powerful 1200 lumens output from just 10W, this energy-efficient GU10 LED lamp delivers outstanding performance. Thanks to Selectable Colour Temperature (CCT) technology, you can easily switch between Extra Warm White (2700K), Warm White (3000K), and Cool White (4000K) to match your lighting needs and mood.

The high Colour Rendering Index (CRI 92+) ensures vivid, true-to-life colours—ideal for retail displays, kitchens, galleries, and task lighting where colour accuracy matters. Please note we don't recommend this lamp for fully enclosed fitting (i.e. outside fittings)

Perfect for accent lighting, ceiling fixtures, and display illumination, the Super Focus GU10 LED bulb combines flexibility, efficiency, and unbeatable colour rendering, making it a top choice for modern lighting solutions.
