Dimensions

Height	35mm
Length	165mm
Width	47mm

The **Chameleon DMX/DALI Interface** brings Wise Controllers together. You can now control the Wise Chameleon from either your DMX/DALI control system or your Wise wireless switches, giving you the benefits of both DMX/DALI wired and Wise wireless controlling.

Caution: The warm white produced by RGB products is not the same as the warm white produced by single coloured products. By mixing the colours to create warm white a hint of Red, Green, or Blue may appear.
