Width	80mm

This kit consists of a **Wise Mouse Dimmer Switch Daylight Sensor & Wise Scene Dali**

The **Wise Mouse Dimmer** is a wireless table dimmer with daylight sensor.

Wireless switches can be used to control any of the receivers in the Wise Controls range. The function of the switch, and each of its buttons, depends upon the function of the wireless receiver it is programmed to. Therefore a single button can be used for a variety of functions including, but not restricted to, on/off,dimming or master off only.

The **Wise Scene Dali** can control up to 64 devices with DALI input.

Main Functions

- ON/OFF
- Dimming
- Light scenes
