Wireless FL17 Switches

WiseRetro Module Plate

Satin Nickel 2 Gang

WISEPLATE SN 2G

Satin Nickel 2 Gang
Quicklink: Q667C

General

Colour	Satin Nickel

The **WiseRetro Module Plate** is used in conjunction with the WiseRetro Radio Module line of products.

Simply choose the matching module plate finish to go with the corresponding radio module. This allows you to match all your existing switches in your home or office, whilst also benefiting from the advantages that Wise controls offer.
