The Wireless **Wise Weatherproof Vision Single Gang 2-Way 3V Switch Battery (SP)** is manufactured from tough, durable thermoplastic. It is intended for use in an outdoor environment, or one in which the protection provided by the range is required. It is rated IP66, for protection against water and dust.

The **Wise Transmitter** is wired to the Outdoor switch to make it operate wirelessly. Simply program to a wise receiver. The transmitter is compact and battery powered so it does not require mains wiring.
